My dear Deborah,

It really seems as if the old Harry was after me, in the person of Mr K who I expect in a few minutes with the Letters. The Latimer journal is going on well and I will send you a copy by mail as soon as out it will be out Sat I expect. Channing and Bouvé[illegible] are in every few minutes I dont think I shall come out without you want me very much, till after the trial, and upon the whole I think I shall accomplish just as much in here as I should there, where you have two children and are painting. and besides I want very much to hear the rest of Parker's lectures. Dickens book is out we got it this morning, and I will send it to you Sat, we had a note from Emerson this morning nothing in it, but sending and I called for the Gospel, Wendell thought of a meeting. Ridley says to Latimer at the stake "Cheer up brother Latimer, for to day we shall kindle a torch, which shall not soon be extinguished. I went to the Book store

to get Aunt P's medicine he had
potass no. 6. but now no. 4 that is strange
I mean N 4 is stronger, I thought it best
to get it and she can do as she pleases
about taking it. I send some verses
Maria wrote for the journal
about Eldridge Gerry Austin who
had Latimer taken up. Have
sent a manuscript copy but had not
not time to do better
